DETAILED ACTION

Response to Amendment

1. The amendment filed 16 December 2010 has been considered and is sufficient to overcome the rejections from the previous office actions and is sufficient to place the case in condition for allowance. Claims 31-39 and 49-63 are currently pending in this application.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Holman on 28 December 2010.

The application has been amended as follows:

Claim 37 is amended to change "and that **a** fastening means" to "and that **the** fastening means"

Claim 37 should now read as follows:

37. (currently amended)

The knife holder according to claim 31, characterised in that tooth body has fastening means by means of which it can be fastened to the knife in a fixed,

Art Unit: 3725

releasable way, and/[[or]] that the a [[the]] fastening metals is presented by at least one screw connection which is guided by a boring in the tooth body and in the knife, whereas the boring has a diameter of 23 ram.

Allowable Subject Matter

3. Claims 31-39 and 49-63 are allowed.
4. The following is an examiner's statement of reasons for allowance: It is in the opinion of the examiner that the art of record neither anticipates nor renders obvious "the knife receiving device ... is in a J-Shape and the recess is in a wedge or conical shape." in combination with the rest of the claimed limitations set forth in the independent claims 31 and 52.

The closest prior art is E.P. Patent No. 771911 which discloses a milling tool holder with a J shape. However it does not disclose a knife or the recess being wedge or conically shaped. The other closest prior art is D.E. Patent No. 20116344U which discloses a knife and knife holder. However the holder does not have a J shaped recess.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 3725

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Matthew G. Katcoff whose telephone number is (571) 270-1415. The examiner can normally be reached on M-TH 9:00-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dana Ross can be reached on (571) 272-4480. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
